

MICHAEL HARRIS

Michael Harris is currently serving as the EPA, Region 5 Director of the Enforcement and Compliance Assurance Division. Michael has over 25 years of experience working for EPA, Region 5. Prior to this role, he has served as the Deputy Director of the Land and Chemicals Division where he provided leadership and oversight of clean-up activities at RCRA hazardous sites and leaking underground storage tanks; the use of toxic chemicals; and material conservation. Michael also served as Branch Manager of the Enforcement and Compliance Branch in the Superfund Division where he led the reorganization and, ultimate creation, of the branch. He also served as Section Supervisor for the Emergency Response program where he served as the Emergency Support Function 10 (ESF 10) Representative for the region with FEMA. Michael started his career in the Superfund Division's Emergency Response Program as an On-Scene Coordinator. Michael has a Bachelor of Science degree in Environmental Science from Northern Illinois University and has a Master of Science degree with an emphasis on Environmental Management from the Illinois Institute of Technology.
