

KIMBERLY PATRICK

Kimberly Patrick serves as the Acting Assistant Administrator for the EPA Office of Mission support. In this role Ms. Patrick leads the Agency's information technology, human resources, facilities, contracting, and grants programs. Ms. Patrick has over 20 years of public service providing counsel and advocating for small businesses. Always with the EPA's mission at the forefront, Ms. Patrick also served as the Chair for the Agency's Procurement Equity Workgroup, the Agency's Senior Accountable Official for Supply Chain Risk Management, and the Senior Accountable Official for EPA's Made-in-America implementation in her role as Director of Acquisition Solutions and Senior Procurement Executive. Ms. Patrick is a recipient of the prestigious Presidential Rank Award for Meritorious Service, recognizing her career of leadership and service to EPA.
